### **Agreement to the publication of photographs**

I agree that photographs and videos showing myself are taken during STS events and are published in the following media:

- STS web page and STS facebook account
- scientific journals (e.g. BioSpektrum, journals of the MDPI group)
- journals and web pages of affiliated consortia (e.g. DGfI, DGZ, GBM, DGPT)

I am aware of the fact, that photographs and videos showing myself upon publication in the internet or in social media are accessible world-wide. Use and processing by third parties cannot be excluded.

As far as not objected, this agreement is unlimited in time. Its objection can be effective only in the respective future. The objection has to be carried out in written form (email or conventional letter) addressed to the STS office or any council member.

A complete deletion of the data published in the internet or in social media cannot be guaranteed by the STS since they may have been used (e.g. copied) or processed by third parties. In such case, the STS cannot be held liable.

I was informed that despite of my objection in the context of STS events photographs or videos of myself can be taken and processed for the societies' public relations belongings.
